

Despite already having a son attend a community college, when it came down to another son applying to a four-year college, the more involved financial-aid maze was navigated with the services of Gary Lucas. He negotiated the process with careful ease and provided the informed assistance and attention-to-detail to tackle and successfully complete all the number-crunching and necessary paperwork. Highly recommended!

A handwritten signature in cursive script that reads "Dave Frisina". The signature is fluid and written in black ink.
